WHAT DOES YOUR RESUME SAY ABOUT YOU

Your Journey

STAY RELEVANT
NEVER STOP CHANGING
YOUR RESUME

THIS IS YOUR CHANCE
TO BRAG ABOUT YOU

Your Job Search Campaign

Show the best you possible

One of the first signs you may need a professional resume writer is that your resume simply does not seem to be working for you.

With today's economy there is a lot of competition and standing out is the real challenge. It's possible that your resume could be improved.

Some job-seekers may not have an objective grasp of what is their most marketable skills and how to highlight those accomplishments.

Hiring a Professional Resume Writer is just like hiring a Financial Advisor or Lawyer. Reach out today and let a professional help you.

Your Options for Resume Packages

1. Resume Review:

- 45 Minute Phone Consultation where I make you aware of changes and how to fix them
- Provide review of your current resume
- Check for grammar issues, formatting issues, potential applicant tracking issues (ATS), and potential red flag issues that recruiters & hiring managers would otherwise see as a negative

2. Resume Overhaul:

- 45 Minute Phone Consultation and I will make all the recommended changes
- Provide review of your current resume
- Check for grammar issues, formatting issues, potential applicant tracking issues (ATS), and potential red flag issues that recruiters & hiring managers would otherwise see as a negative
- Update / change format to make resume noticeable & actionable

3. LinkedIn Review:

- 45 Minute Phone Consultation where I make you aware of changes and how to fix them
- Provide review of your LinkedIn
- Check for grammar issues and potential red flag issues that recruiters & hiring managers would otherwise see as a negative
- How to get found on LinkedIn
- Design aspects to make your profile more exciting

4. Resume & LinkedIn Review:

- 60 Minute Phone Consultation where I make you aware of changes and how to fix them
- Provide a review of both your resume and LinkedIn
- Check for grammar issues, formatting issues, potential applicant tracking issues (ATS), and potential red flag issues that recruiters & hiring managers would otherwise see as a negative
- How to get found on LinkedIn

5. Resume & LinkedIn Overhaul:
